

Individual Yarn Offers

These are all one-off yarns items - they may be discontinued colours, mis-shapen windings, mis-dyes (these are always noted as mis-dyes), current colours dyed in non-standard yarn types or earlier versions of what became standard colours. **All of these offers are at discounted prices. When they are gone, they are gone.**

We also have a number of **archived colours** - these are not held as standard stock colours but can be dyed up if required. You can see the archived colours on our [Archived Colours page](#).
